

Símbolos de transistores

Símbolos	Descripción	Símbolos	Descripción
	Transistor NPN Se puede encontrar representado con o sin círculo Símbolo genérico		Transistor PNP
	Transistor NPN Representación sin círculo		Transistor PNP Actualización del símbolo
	Transistor PNP con colector unido a la cubierta		Transistor tunel
	Transistor UJT-N Unión		Transistor UJT-P Unión
	Fototransistor		Transistor multiemisor NPN
	Transistor de avalancha NPN		Transistor Schottky NPN
	Transistor JFET, canal N		Transistor JFET, canal P

Más información sobre estos u otros símbolos en www.simbologia-electronica.com

Símbolos de transistores

2/4

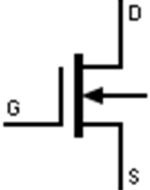

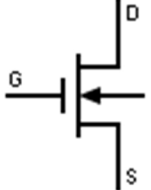

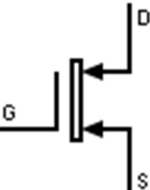

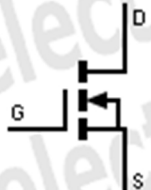

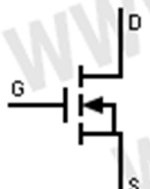

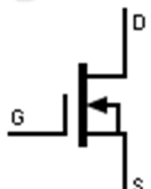

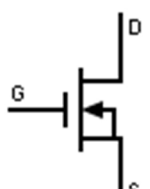

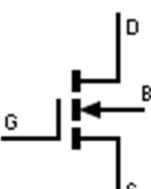

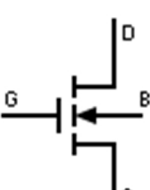

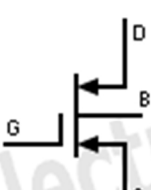

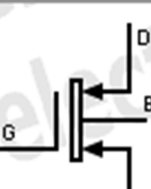

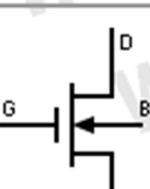

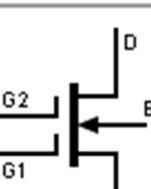

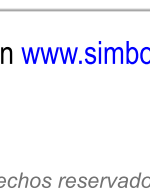

Símbolos	Descripción	Símbolos	Descripción
	Transistor JFET, canal N		Transistor JFET, canal P
	Transistor JFET, canal N		Transistor JFET, canal P
	PUT, Uniunión programable		Transistor Darlington NPN
	Transistor Darlington NPN		Transistor Sziklay

Más información sobre estos u otros símbolos en www.simbologia-electronica.com

Símbolos de transistores

3/4

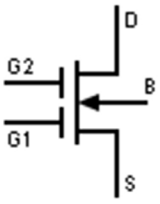

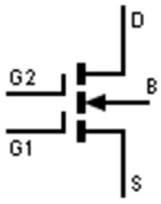

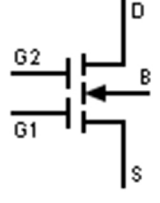

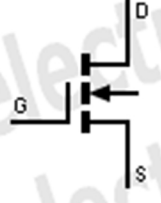

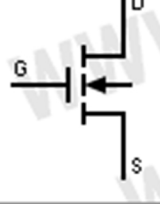

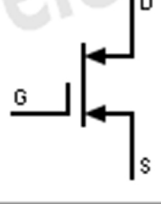

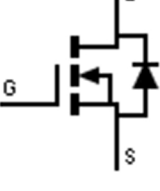

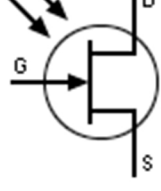

Símbolos de transistores MOSFET e IGFET

Símbolos	Descripción	Símbolos	Descripción
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales
	Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales		Transistor MOSFET Tipo empobrecimiento Depletion, 3 terminales

Más información sobre estos u otros símbolos en www.simbologia-electronica.com

Símbolos de transistores ↩

Símbolos de transistores MOSFET e IGFET

Símbolos	Descripción	Símbolos	Descripción
	Transistor MOSFET Tipo empobrecimiento 2 puertas, 5 terminales		Transistor MOSFET Tipo enriquecimiento 2 puertas, 5 terminales
	Transistor MOSFET Tipo enriquecimiento 2 puertas, 5 terminales		Transistor MOSFET Tipo enriquecimiento enhancement, 3 terminales
	Transistor MOSFET Tipo enriquecimiento enhancement, 3 terminales		Transistor MOSFET Tipo enriquecimiento enhancement, 3 terminales
	Transistor Logic level FET		Transistor fotoFET
